Jewelry and Fine Furniture Lead the February Annex Sale

ALAMEDA — Michaan's Auctions February Annex Sale, held on Monday, February 12th; Tuesday, February 13th; and Wednesday, February 14th; generated a 92% sell-through rate as Michaan's Auctions realized another successful sale for its consigners.

The sale was headlined by Lot 343, a **Collection of Dental Gold and Gold Cylinders** which sold for \$7,150, after intense bidding drove its value well over the estimated \$2/3,000. Featuring two containers filled with gold cylinders, as well as a bag of dental gold, this lot highlights the quality of fine metals and jewelry available at Michaan's Auctions. Lot 1771, **Two Chinese Square Side Tables**, features two beautifully designed low tables which sold for \$3,575.

The auction further highlighted the jewelry department, as a **Collection of Men's Fashion Wristwatches** as Lot 100D sold for \$1,950, which featured at least 15 wristwatches in the style of Rolex, Omega, and others. The sale finished with Lot 873, a painting in the **Manner of William Ritschel, Capri, oil**, itself an excellent example from the German artist which sold for \$1,235, and Lot 1635, a **Mahogany Two Door Armoire with Four Upholstered Shelves**, which realized \$1,170.

Containing a wide variety of jewelry, fine art, decorative arts, furniture, Asian art, stamps, and coins, the monthly sale represents Michaan's Auctions' accessible sales opportunity. Our next Annex Auction will be held on Monday, March 11th; Tuesday, March 12th; and Wednesday, March 13th; featuring a wide variety of items, most estimated at under \$300.
